ABOUT THE TOEFL TEST

TOEFL®

The TOEFL test measures the ability of non-native English speakers to communicate in English in an academic setting. It accurately measures how well students can use their English language skills in the college or university classroom.

TOEFL testing takes place in more than 165 countries, and TOEFL scores are accepted by over 8,500 institutions in more than 130 countries. More institutions accept TOEFL test scores than any other English-language proficiency test in the world. The TOEFL test is the one test that can take you anywhere.

All test centers are open to everyone who is properly registered, regardless of race, color, creed, or national origin (subject to U.S. sanctions programs and embargoes).

This *Information and Registration Bulletin* contains information about the TOEFL Paper-based test (TOEFL PBT). A list of TOEFL PBT test locations is available at www.ets.org/toefl.

The TOEFL Paper-based Test (TOEFL PBT)

IMPORTANT! TOEFL PBT testing is being phased out starting in mid-2012. In some areas, the last PBT test administration was in May 2012. PBT test scores will remain valid for two years after your test date.

TOEFL PBT is approximately three and one-half hours long. It has three sections, all of which are mandatory. **At least one question must be answered in each section to receive a score.**

- ▶ **Listening Comprehension** measures the ability to understand English as it is spoken in an academic setting.
- ▶ **Structure and Written Expression** measures the ability to recognize language that is appropriate for standard written English.
- ▶ **Reading Comprehension** measures the ability to understand non-technical reading material.

You will be given a test book and a paper answer sheet on which to record your responses. The test you take may include questions that do not count toward your score. These are either questions that enable ETS to make test scores comparable across administrations or new questions that help ETS determine how such questions function under actual testing conditions.

Each section of the test has a time limit. The test administrator will tell you when to start and stop each section. **You may read or work on a section only during the time allotted for that section.** If you finish a section early, you may **not** go on to the next section or return to a previous section. Failure to follow this rule may result in your dismissal from the test center, your scores being canceled, and/or loss of your test fee.

The TWE® test is a 30-minute writing test that is required of everyone taking the TOEFL PBT. You will write a short essay on one topic printed in your TWE test book to demonstrate your ability to write in English. This includes the ability to generate and organize ideas, to support those ideas with examples or evidence, and to compose in standard written English in response to an assigned topic. You will not need special knowledge of the topic. There is no separate fee for the TWE test.

You will write your essay on a two-sided answer sheet attached to your TOEFL answer sheet. When you are told to begin working, read the instructions and the essay question carefully. You must write only on the assigned topic. If you write an essay on a different topic, it will not be scored. You will probably want to spend a few minutes thinking about the kind of essay you will write, and you may wish to make a few brief notes. The test administrator will tell you where to make your notes for the writing test. Plan to take at least 20 minutes to write your essay after you have read the instructions and made notes.

TOEFL PBT Admission Tickets

ETS will mail you an admission ticket. If you register less than three months before your test date, your admission ticket will be mailed immediately after receipt and processing of your registration and payment. If you have **not** received your ticket two weeks before the test date, contact TOEFL Services (see page 5).

FRONT OF THE ADMISSION TICKET

Name

When you receive your ticket, check to be sure your name is spelled exactly as you printed it on your registration form. If your name is printed in English letters on the required identification document that you will present at the test center (see pages 8–10), your name must be spelled the same way on your admission ticket. Also check your birth date, gender, and address.

If corrections are necessary, follow the directions on the ticket. You must give the corrections to the test administrator on the day of the test. Name changes cannot be made. Only misspellings of your name can be corrected.

If you correct an error in the printing of your **name, birth date, or gender**, the test administrator must verify the change with the information on your identification document. If the corrected information is the same, the test administrator will sign the ticket. **If the test administrator does not sign your ticket, the change will not be made.** All corrections are subject to ETS approval. Only address changes will be accepted after the test date.

NOTE: Do NOT return the ticket; you will need it at the test center. After the test, the test administrator will collect tickets with corrections.

Registration Number

Your registration number will be printed on your admission ticket. Keep the number in a safe place. You must have your registration number if you contact TOEFL Services.

BACK OF THE ADMISSION TICKET

Institution and Department Codes

You may have official score reports sent directly to four institutions as part of your test fee. Therefore, it is very important that you accurately complete area 3 on your TOEFL admission ticket. A list of institution codes is in the Test Takers section of the TOEFL website. Department codes are on page 16 of this *Bulletin*.

If you are applying to an institution that is not listed, **contact the institution and ask for its ETS TOEFL code number**, or contact TOEFL Services. You must have this information before the test date so you can enter the code number on your answer sheet.

If you do not select score recipients when you test, or if you want to send score reports to additional recipients, you will have to complete an Official Score Report Request form and pay the required fee (see page 12).

If you are applying as an **undergraduate student** (you have finished secondary school but have not completed your studies for a bachelor’s degree), print 00 in the boxes for department code on the back of your admission ticket. Your score report will be sent to the undergraduate admissions office.

If you are applying for **graduate study** (you have already earned a bachelor’s degree at a college or university), look at the Department Codes list on page 16. Find the name of the department in which you plan to study and then write the code number. If your department is not listed, write 99 in the boxes for department code on the back of your admission ticket. **You must write a department code number** so TOEFL Services can send your score report to the correct office. **If you do not write a department code, your official score report may be sent to the institution’s undergraduate school.**

For an **agency or an institution** that is not a college or university, print 00 in the boxes for department code.

REGISTRATION INFORMATION *(continued)*

PHOTO FILE RECORD

Before you report to the test center, you **must** do the following:

- ▶ Sign the Photo File Record.
- ▶ Attach a recent photograph of yourself (taken within the last six months) showing only your face and shoulders.
- ▶ Write your name, test date, registration number, and center number on the back of your photograph before you glue it to the Photo File Record in case it becomes detached.
- ▶ Trim your photograph so that it is no larger than 5 x 5 cm or no smaller than 3 x 3 cm. It cannot be larger than the designated space.
- ▶ Glue or tape your photo to the form. **Do not** use staples.
- ▶ Laminated copies and photocopies are not acceptable.

You must give the test administrator a recent photograph or your scores may not be reported. The photograph you attach to your Photo File Record must be clear enough so there is no doubt about your identity. Your face in the photo must show you as you will look on the day of the test; for example, with the same hairstyle, with or without a beard.

IMPORTANT: If you do not receive an admission ticket, but have official authorization from TOEFL Services to take the test, you **must** still take a recent photograph and the required identification to the test center. The test administrator will give you a Photo File Record form to complete at the center. Do not leave the test center without giving your completed Photo File Record to the test administrator.

The photograph attached to your TOEFL Photo File Record will appear on your examinee score record and, in most instances, on the official score reports sent to institutions.

NOTE: If you fail to submit a Photo File Record, your scores may not be reported.

TEST CENTER CHANGES

You should take the test at the center printed on your admission ticket. If you are unable to go to the assigned center, you may go to another test center on the **date printed on your admission ticket**, but there is no guarantee that space or test materials will be available for you to take the test. Contact TOEFL Services for the test center address and reporting time. Do **not** telephone or go to the test center **before** the day of the test. The center will not have the information necessary to help you.

If you are admitted to the new test center, you must change the test center number that is printed on your admission ticket and your Photo File Record. The admission ticket must be given to the test administrator at the end of the test.

If you are not admitted to the new test center, see “Rescheduling or Canceling” below.

Rescheduling or Canceling

You may **not** change your test date or cancel your registration. If you do not take the test, and do not wish to register for another test date, you may apply for a partial refund.

Refunds

If your request arrives before the deadline, you will receive a refund of one-half of the original test fee. The remainder of your payment will be retained by TOEFL Services to cover expenses for processing your registration, ordering and shipping test materials, and holding a seat for you at the test center. Cash refunds are not available. Refunds will be in the same currency and at the same exchange rate as the original payment.

Once you have been admitted to the test center, you are not eligible for any refund. Refunds will not be given if you do not follow proper registration procedures or fail to present the required ID document(s) at the test center.

ON TEST DAY

What to Bring to the Test Center

- ▶ **Your admission ticket.** Your admission ticket includes your registration number. If you would like to designate official score report recipients on test day, it is very important that you accurately complete area 3 on your admission ticket. This will enable you to have official score reports sent directly to four institutions as part of your test fee. You will grid your score recipient codes on your answer sheet. See “Institution Codes” and “Department Codes” on page 16.
- ▶ **Acceptable and valid identification document(s) with a signature and photograph.** The name you give when you register must match the name on the identification document(s) you present at the test center. See “Identification (ID) Requirements” on right.
- ▶ **Your signed Photo File Record**, with a recent, recognizable photo.

- ▶ Take **3 or 4 sharpened No. 2 or HB pencils** and a good eraser. Pencils and erasers will not be supplied at the test center. Mechanical pencils and pens are **not** permitted.

Identification (ID) Requirements

All test takers are responsible for bringing valid and acceptable identification each time they report to a test center. It is your responsibility to ensure that your ID documents are up-to-date and available on the day of the test.

Your ID requirements depend on your country of citizenship and where you plan to test. Please read the specific section for acceptable primary and supplemental ID documents and allowed exceptions.

- ▶ As outlined in “When You Register” below, you are responsible for ensuring that the name you used to register **exactly matches** the name on the ID document(s) you will present at the test center.
- ▶ If the test administrator questions the ID you present, you may also be required to provide supplemental ID. If positive confirmation cannot be made, you may not be permitted to test or your test scores may not be reported.
- ▶ All test takers are encouraged to bring at least two forms of acceptable ID each time they report to a test center. Prior admission to a test center based on a given ID document does not guarantee that that document will be acceptable. Test centers are not required to hold your seat if you leave the center to obtain acceptable identification.
- ▶ Admission to the test center does not assure that the ID you provided is valid or that your scores will be reported. All reported cases of questionable ID are subject to review and approval by the ETS Office of Testing Integrity either during or after the test administration. ETS reserves the right to withhold and/or cancel scores in the event that the ID requirements set forth herein are not met.
- ▶ You may be required to show your ID and/or to sign a test center log at various points throughout the test administration.
- ▶ Your test fees will not be refunded if you are not permitted to test or if your scores are withheld or canceled because of invalid or unacceptable ID.

WHEN YOU REGISTER

- ▶ **You must use the exact name and spelling of that name as shown on the primary ID document that you will present at the test center.** If the name shown on your primary ID does not match the name on your registration record, you will not be permitted to test and a refund will not be issued. You will have to register again and pay another test fee.
- ▶ Be sure to provide your entire first name (given name) and your entire last name (family name). Do not register under a nickname. If your ID document shows a multiple-part last name, enter the names **exactly as they appear on your ID**. If you register by phone, please make sure you are registered under your complete name as it appears on your ID.
- ▶ When applying to a college or university, **use the same name and spelling of your name on your application.** It is **your responsibility** to ensure that there are no discrepancies in your name or the spelling of your name. **Refunds** or free rescheduling due to such discrepancies **will not be allowed**.

AT THE TEST CENTER

- ▶ Only misspellings of your name can be corrected at the test center—**NAME CHANGES WILL NOT BE MADE**. If your name has changed for any reason, including marriage, you still must present primary identification in the name under which you registered, or you will not be permitted to test. Marriage certificates and divorce decrees cannot be used to confirm name differences. **Please do not bring these documents to the test center.**

ID DOCUMENT REQUIREMENTS

ID documents must meet all of the following requirements. Each ID document must:

- ▶ be an **original** document; photocopied documents are not acceptable
- ▶ be **valid**; expired documents (documents with expiration dates that have passed) are not acceptable
- ▶ include the test taker's **full name exactly** as it appears on the admission ticket
- ▶ include a recent **photograph** that clearly matches the test taker
- ▶ include the test taker's **signature**

See “Unacceptable ID Documents” on the following page.

See Exceptions and Requirements on page 10 if:

- ▶ you are testing in Mainland China, Bangladesh, India, Nigeria or Pakistan
- ▶ you are testing outside your country of citizenship
- ▶ you are a citizen of European Union or Schengen Zone Countries
- ▶ you have a multiple-part last name
- ▶ you are in the process of renewing your driver's license

- ▶ Passport (with photograph and signature)
- ▶ Driver's license (with photograph and signature)
- ▶ State or Province ID card (including those issued by motor vehicle agencies)
- ▶ National ID card

ACCEPTABLE SUPPLEMENTAL ID DOCUMENTS

You may also be required to provide a supplemental ID if the test administrator questions your primary ID document and/or if your primary ID document is otherwise acceptable but is missing your full name, photograph or signature.

Supplemental ID documents may *not* be used to resolve last name discrepancies. The last name on your primary ID *must* match the name on your admission ticket.

The following ID documents are generally acceptable as supplemental ID:

This letter must be typed or printed on the original letterhead of the educational institution you attend(ed) and, in addition to meeting all of the ID Document Requirements listed earlier in this section, must include your date of birth and the date issued. Additionally, a school official's signature and the school seal must be present and both must overlap your photograph. Such letters are valid for only one year from the date issued.

Sample Confirmation of Identity Letter

If you present a letter as an identification document, it must be an original letter, not a photocopy. It must contain:

1. Official letterhead of your school.
2. Your name. Remember, the name you use when you fill out your registration form must appear on your confirmation of identity letter.
3. Your date of birth.
4. Name of the school.
5. The date the letter was issued. Letters are valid for one year from the date of issue.

(1) Official Letterhead

I verify that (2) _____,

whose date of birth is (3) _____, is/was a

student at (4) _____ and

his/her photograph and signature are shown on

this letter issued on (5) _____.

(6)

(7)

I attest that the above information is true.

(9) _____

6. Your photograph, glued or taped to the letter. **Do not** use staples.
7. The seal of your school, **overlapping your photograph**.

- ▶ Non-U.S. citizens testing within the U.S. must present a passport that meets all of the ID document requirements listed earlier in this section.
- ▶ Diplomatic and embassy ID cards cannot be used as primary identification in place of a passport.
- ▶ If your passport is **not written in English-language letters**, you must also present a supplemental ID that contains your name, a recent, recognizable photo and is in English.

The following documents may be acceptable for admission to U.S. test centers if presented along with at least one of the documents listed under Acceptable Supplemental ID Documents on page 9.

- ▶ Permanent Resident Card/Resident Alien Card (Form I-551 or I-151)

- ▶ If your ID is not written in English-language letters and the test administrator cannot read the language in which it is written, you may not be permitted to take the test.

MULTIPLE-PART LAST NAME

If the ID document you will present on the day of the test contains a multiple-part last name, your admission ticket must **exactly match** your ID. See "When You Register" on page 9. You cannot use a supplemental ID to resolve last name discrepancies.

- ▶ If you are in the U.S. military and your driver's license has been extended or deferred by the issuing state, the license can be used as supplemental ID along with your U.S. Military ID.
- ▶ If your driver's license has expired but you present it along with your original Department of Public Safety renewal certificate, these two documents together are acceptable if the names on both documents match exactly. If you are issued a temporary paper license in lieu of a renewal certificate, that is acceptable only if it is accompanied by a supplemental ID.

MILITARY ID WITHOUT SIGNATURE

If your Military ID does not contain your signature, you must present a supplemental ID.

POLITICAL ASYLUM OR REFUGEE STATUS

If you have been granted political asylum, have refugee status or are otherwise unable to meet the identification requirements, you **must** contact the ETS Office of Testing Integrity (OTI) at least seven days **before** you register to test. You must receive approval from OTI before you register. You should also be prepared to submit any requested documents to OTI for review prior to receiving approval. If you do not contact OTI before you register, and as a result you are not permitted to test or your test scores are withheld, your test fees will not be refunded.

- ▶ Dress so that you will be comfortable in any room temperature.
- ▶ Friends or relatives who accompany you to the test center are not allowed to wait in the test center or be in contact with you while you take the test or during breaks. Except for ETS-authorized observers, visitors are not allowed in the testing room while testing is in progress.

VERIFYING YOUR ID

You must present valid and acceptable identification. See “Identification Requirements” on pages 8–10 for acceptable identification documents. Identification verification at the test center may also include:

- ▶ Thumbprinting

- ▶ Signature comparison
- ▶ Other forms of electronic ID confirmation

If you refuse to have your identity verified, you will not be permitted to test and you will not receive a refund.

PERSONAL ITEMS

Personal items other than identification documents are not allowed in the testing room. This includes cell phones, PDAs, smartphones (for example, BlackBerry® or iPhone®), and any other electronic recording, listening or photographic devices. You will not have access to your personal items during the test or during breaks. Before the test, you will receive instructions from test center staff regarding where to deposit personal items. You will be required to follow the procedures set by the test center for storage of your cell phone or any electronic or photographic device you bring to the test center. If you take personal items into the test room, they will be collected by the test center staff. If you fail to follow the instructions of the test center staff, you will not be permitted to take the test. Any violation of this procedure during the test or breaks may result in cancellation of your scores, dismissal by the test center staff, and/or banning from future testing. Test centers and ETS assume no responsibility for personal items or devices that you choose to bring into the test center.

SEATING

The test administrator will assign you a seat.

DELAYED OR RESCHEDULED TESTS

On occasion, weather conditions or other circumstances beyond our control may result in a delayed start or rescheduled test, or scores may be canceled after you take the test.

If your test is rescheduled by ETS before you test, you can select a different test date and you will not be charged the rescheduling fee.

If you travel to the test center and find out that the test administration has been canceled by ETS, you can reschedule your test at no charge or receive a full refund of your test fee.

If you take the test and your scores are canceled by ETS, ETS will determine, at its sole discretion, whether or not you are eligible to re-test at no charge or to receive a refund.

If ETS cancels a test administration or cancels scores after you test, and you have incurred travel costs to get to the test center, you may be eligible for reimbursement of reasonable and documented travel expenses **for yourself only** within 30 days of your original test date. Refunds are in U.S. dollars.

When you contact **TOEFL Services**, have appropriate receipts available and be prepared to provide the following information:

- Name
- Date of birth
- Mailing address
- Daytime phone number
- Email address
- Original test date
- TOEFL registration number
- A description of the problem

If you have any questions about rescheduling and refund policies, please contact **TOEFL Services**.

GUIDELINES FOR TOEFL PBT TESTING

The following procedures and regulations apply during the entire test session, which begins when you are admitted to the test center, ends when you leave the test center, and includes breaks.

- ▶ Take your admission ticket and photo ID to the test center. You must submit a completed Photo File Record or your scores will not be reported.
- ▶ Take three or four sharpened No. 2 or HB pencils and a good eraser. Pencils and erasers will not be supplied at the test center. Mechanical pencils are not permitted.
- ▶ No test taker will be admitted after test materials have been distributed.
- ▶ Paper of any kind is not permitted in the testing room.
- ▶ You may wish to pace yourself with your own watch, but the test administrator is the official timekeeper. You will not be permitted to continue the test or any part of it beyond the established time. *Watch alarms or cell phone clocks may not be used to track your time.*
- ▶ You may not mark or underline words, or make notes in the test book or on the answer sheet.
- ▶ At the conclusion of the test you will be required to return your test book and answer sheet to the test administrator. These materials are the property of ETS.
- ▶ There is no scheduled break during the test. If you must leave the testing room, you are required to give the supervisor your identification document(s) before you leave the room. You may not use a cell phone or any other electronic device or have access to any personal items. You will not be permitted to make up the time you lose.

Although tests are administered under strict supervision and security measures, testing irregularities may sometimes occur. Please contact ETS as soon as possible to report any observed behavior that may lead to an invalid score—for example, someone copying from another test taker, taking a test for someone else, having access to test questions before the exam, or using notes or unauthorized aids. All information is held in the strictest confidence.

DISMISSAL FROM A TEST CENTER

The test administrator is authorized to dismiss you from a test session or cancel your scores for violations such as, but not limited to, the following:

- ▶ Attempting to take the test for someone else or having someone take the test for you.
- ▶ Failing to provide acceptable identification.
- ▶ Obtaining improper access to the test, part of the test, or information about the test.
- ▶ Using or having a cell phone, PDA, smartphone or other electronic device in your possession during the test session or during breaks.

- ▶ Failing to follow any of the test administration regulations in this *Bulletin* or on the TOEFL website, given by the test administrator, or specified in any test materials.

ETS reserves the right to take all action—including, but not limited to, banning you from future testing or canceling your scores—for failure to comply with test administration regulations or the test administrator's directions. **If your scores are canceled, they will not be reported and your fees will not be refunded.**

SCORES AND SCORE REPORTING

Examinee Score Record/Official Score Reports

Your **TOEFL PBT** test fee entitles you to:

- ▶ An examinee score record.
- ▶ Up to four official score reports that ETS will send directly to the institutions or agencies you designate on test day.

ETS will send the examinee score record to you at the most recent address you provided. If your address changes after you take the test, contact TOEFL Services.

For a fee, you may also request additional official score reports for institutions you did **not** identify on the day of the test. Your request may be made by mail or fax. See the Official Score Report Request Form on page 21.

ETS will send an examinee score record to you and official score reports to your designated institutions approximately five weeks after you take the test.

Test Dates	Approximate Score Report Mailing Dates
August 18, 2012	September 19, 2012
November 17, 2012	December 19, 2012
January 12, 2013	February 13, 2013
May 4, 2013	June 5, 2013

Test results will be mailed two to three weeks later to examinees whose answer sheets are not completed properly or whose answer sheets arrive late at ETS. If you have not received your score record seven weeks after the test date, contact TOEFL Services (see contact information on page 5).

Interpreting Your TOEFL PBT Scores

Your score record will show three section scaled scores and a total scaled score. Each correct answer counts equally toward the score for that section. There is no penalty for wrong answers. The total number of correct answers is called the “raw score.” (Note: some questions in the test may not count toward the section or total scores.)

The raw score for each section is converted by statistical means to a number on what is called the TOEFL test scale. The **total** paper-based test score is reported on a scale that ranges from 310 to 677.

The TWE score is reported separately, on a scale of 1 to 6. A score between two points on the scale (for example, 5.5, 3.5) can also be reported.

Scores by Phone

For a fee, you can find out what your scores are on the Saturday prior to the score report mailing date.

SCORES BY PHONE DATES ARE:

September 15, 2012
December 15, 2012
February 9, 2013
June 1, 2013

Score report mailing dates are on this page and on page 25 of this *Bulletin*. To use this service, you will need:

- ▶ A touch-tone phone.
- ▶ Your seven-digit registration number.
- ▶ A valid American Express, Discover, JCB, MasterCard, or VISA card and your account number and expiration date.
- ▶ Your test date.
- ▶ Your date of birth.

Call **1-609-771-7267** between 6 a.m. and 10 p.m. (New York time), seven days a week. The fee to hear your scores by phone is US\$10, plus the cost of the phone call.

Canceling Your Scores

You should consider very carefully before canceling your scores. Scores will be reported to institutions only at your request. If you cancel your scores, they will **not** be reported to you or to any institutions, and no refund will be made. Canceled scores are not added to your permanent record.

Your test scores cannot be reinstated and reported at a later date. If you wish to take the test again, you must complete a new registration form and submit it with another test payment.

NOTE: You cannot cancel your score for one section of the test and have the scores for the remaining sections reported.

SCORES AND SCORE REPORTING *(continued)*

TO CANCEL YOUR SCORES

- ▶ Complete the score cancellation section of your answer sheet, or
- ▶ Contact TOEFL Services after the test. See page 5 for contact information. TOEFL Services must receive your request to cancel your scores no later than seven days after the test date. Email communications must be followed up with a signed written request.

Ordering Additional Official Score Reports

You can have additional official score reports mailed to institutions you **did not** identify on the day of the test. Additional score reports can be ordered by phone (credit card required) or by completing the Official Score Report Request form in this *Bulletin*. This form is also available on the TOEFL website.

The Official Score Report Request form will be returned to you if you do not include complete and accurate information and the correct fee. **Designated institutions cannot be changed or deleted after you submit the request. No refunds will be made.**

NOTE: Please check the TOEFL website to see if there are any payment method restrictions for your location.

BY PHONE

- ▶ Credit card required. American Express, Discover, JCB, MasterCard, and VISA are accepted.
- ▶ Call **1-609-771-7267**.
- ▶ Callers need:

 - The seven-digit registration number printed on your admission ticket, test date, and date of birth.
 - A valid credit card.
 - A four-digit institution code and two-digit department code for each score report you request.

- ▶ Reports are mailed **two weeks** after receipt of your request form.
- ▶ The fee is US\$17 for each report ordered.

NOTE: TOEFL PBT scores are measurement information and are subject to all restrictions on release of information indicated in this *Bulletin*. They are not the property of the examinee. The information contained in your TOEFL PBT examinee record is the same as the information on your official score reports.

PROCESSING TIPS

- ▶ Do not send a letter with your request.
- ▶ Mark identification codes only for institutions you **did not** provide on test day.
- ▶ List no more than eight institutions on one form. To order more than eight reports, use a second form.
- ▶ Use official destination codes to be sure your score reports are sent to the correct locations. (Visit the TOEFL website at www.ets.org/toefl for a list of institution codes.)
- ▶ Sign and date the form.
- ▶ Include an acceptable form of payment and include the correct amount (reports will only be sent to the number of institutions for which you have paid).

SCORES ARE VALID FOR TWO YEARS

- ▶ TOEFL scores are valid for **two years** from the test date. Because language proficiency can change considerably in a relatively short period of time, scores more than two years old cannot be reported or verified.
- ▶ If you took the TOEFL test more than two years ago and need to submit scores to an agency or institution, you must take the test again to have your scores reported.

Requests for Rescores

You can request that your TOEFL PBT answer sheet or TWE essay be rescored up to **three months** after your test date. **Only one rescoring request per administration may be submitted.**

TOEFL PBT Answer Sheet Rescoring: The TOEFL PBT answer sheet will be rescored independently by two different people. If hand-scoring confirms the accuracy of the scores reported earlier, you will be notified by letter that scores are not changed. If there is a difference between the hand-scored and machine-scored results, the hand-scored results (which may be higher or lower than those originally reported) will be reported to all recipients of the earlier scores with an explanation of why the scores changed. The fee for TOEFL PBT answer sheet rescoring is US\$25.

TWE Essay Rescoring: Your TWE essay will be scored by two raters who did not score your essay previously. If rescoring confirms your original TWE score, you will be notified by letter. If the rescoring procedure results in an increase or decrease in your TWE score, you will receive a revised examinee score record and revised official score reports will be sent to the institutions that received your score. This revised score will become your official TWE score. The fee for TWE essay rescoring is US\$50.

To request rescoring, complete the Rescoring Request Form on page 19 of this *Bulletin* and send it, with the required fee, to the address on the form. If you are paying by credit card, you may fax the form. See the instructions on the back of the form for mailing and payment information. The form is also available on the TOEFL website.

The results of the rescoring will be available approximately three weeks after TOEFL Services receives your Rescoring Request form and payment.

Other Score-related Information

SCORE VERIFICATION

Institutions and agencies are advised to request official verification of any test scores sent to them directly by examinees. If you send your examinee score record to an institution and there is a difference between the official scores recorded at ETS and those on the score record you provided, the institution will be requested to send ETS a copy of the score record you submitted. At the written request of an institution official, ETS will report the official scores, as well as any previous scores recorded for you within the last two years. ETS or its authorized representative will also provide information about your scores at the request of an institution or agency that has a copy of your examinee score record.

ACCEPTABLE SCORES OR SCORE REQUIREMENTS

Each institution or agency that requires TOEFL PBT or TWE scores decides for itself what scores or ranges of scores are acceptable. Score requirements vary from institution to institution, depending on such factors as your field of study, your level of study (graduate or undergraduate), whether you will be a teaching assistant, and whether the institution offers special courses in English as a foreign or second language. There is no specific passing or failing score. If you have questions about how your scores have been used or interpreted, contact the institutions or agencies that received your test results directly.

TEST SCORE DATA RETENTION

Individually identifiable TOEFL test scores are retained in a database for only two years. After two years, all test taker information and scores are removed. If you took the TOEFL test more than two years ago, you will have to take the test again to have scores sent to you, an institution, or agency.

CONFIDENTIALITY OF SCORES

The TOEFL program protects information that is stored in data or research files held by ETS from unauthorized disclosure. Under certain specific conditions, this data may be shared.

ETS's goal is to report valid scores, ones that reflect the test taker's own unaided abilities. In the interest of that goal, ETS reserves the right to share any and all information in its possession about a test taker and the terms and conditions of test taking with any entity which ETS recognizes as an authorized user of TOEFL test scores and either is an entity to which the test taker releases his/her TOEFL scores or is a government agency that requests such data. That information includes, but is not limited to, identifying information, details of any test security investigation, and details regarding the test center at which the test taker tested. Typically, the reasons for disclosure of test taker information include score verification, test security investigations, and investigations by score users of possible unlawful activity. Typical authorized users of TOEFL test scores include educational institutions and certain government agencies (e.g., visa processing authorities).

Your score record and the documents you complete that are retained at ETS (for example, your photograph) may be released to third parties, such as government agencies or parties to a lawsuit, if requested pursuant to a subpoena or required by applicable law.

TEST QUESTION INQUIRIES

Language specialists prepare TOEFL test questions. These specialists follow careful, standardized procedures developed to ensure that all test material is of consistently high quality. Each question is reviewed by several members of the ETS staff. The TOEFL Committee of Examiners, an independent group of professionals in the fields of linguistics, language testing, and language teaching that reports to the TOEFL Board of Trustees, establishes overall guidelines for the test content and specifications. After test questions have been reviewed and revised as appropriate, they are selectively administered in trial situations and assembled into test pools. The test pools are then reviewed according to established ETS and TOEFL program procedures to ensure that all possible versions of the test are free of cultural bias. Statistical analyses of individual questions ensure that all items provide appropriate measurement information.

Although ETS employs extensive quality control checks throughout the development of test questions and the preparation of final tests, typographical errors or flaws in questions may occasionally occur. If you suspect a problem and want to question a test item for any reason, notify the test supervisor before you leave the test site. You may also write to MS 42N-208, TOEFL Test Question Inquiries, ETS, Rosedale Road, Princeton, NJ 08541-0001 USA, or send a fax to 1-609-683-2600 immediately after taking the test. Please include the name of the test, the section of the test, the test date, the name of the center where the test was taken, and, if possible, the number of the test item being questioned. If you have a complaint about the testing facilities or the supervisor, contact TOEFL (see "Test Center Complaints," page 5) within three days after the test date. Be sure to give the date of the test, the name of the test center, and the city and country in which you tested.

ETS Score Cancellation Policy

ETS and the TOEFL program strive to report scores that accurately reflect the performance and independent work of every test taker. ETS standards in this regard have two primary goals: giving all test takers an equal opportunity to demonstrate their abilities, and preventing any test taker from gaining an unfair advantage over others. These standards are of the utmost importance to ETS and those who rely on the validity of ETS test scores. Therefore, ETS reserves the right to cancel any test score when, in its sole judgment, there is substantial evidence that the score is invalid. Scores may be canceled as a result of test taker behavior or irregularities that affect testing integrity.

TEST TAKER BEHAVIOR

ETS reserves the right to dismiss you from the testing site, cancel your scores, and ban you from taking an ETS test in the future for violations such as, but not limited to, the following:

- ▶ Taking or attempting to take the test for someone else, or having or attempting to have someone take the test for you.
- ▶ Failing to provide acceptable identification.
- ▶ Obtaining improper access to the test, part of the test or information about the test.
- ▶ Using or having a cell phone, PDA, smartphone or other electronic device in your possession at the testing site.
- ▶ Using any unauthorized aids in connection with the test, such as mechanical pencils, pens, pagers, beepers, calculators, watch calculators, analog or digital watches, watch alarms, books, pamphlets, notes, scratch paper, rulers, highlighter pens, stereos or radios with headphones, cell phones, stop watches, dictionaries, translators or any electronic or photographic devices.

SCORES AND SCORE REPORTING *(continued)*

- ▶ Attempting to give or receive assistance. Communication in any form during the test administration, discussing or sharing test content or answers during the test administration, during breaks or after the test is prohibited.
- ▶ Evidence that your responses are invalid for reasons such as unusual timing patterns, unusual answer patterns and/or inconsistent performance on different parts of the test and/or inconsistent performance with other test administrations.
- ▶ Evidence that a TWE essay response includes material that is substantially similar to material found in other TOEFL test takers' essays, or quotations or paraphrasing of language or ideas from published or unpublished sources that are used without attribution.
- ▶ Removing, attempting to remove, reproducing or disclosing by any means (for example, hard copy, orally, electronically) to any person or entity any test content, test part, scratch paper or notes relating to the test.
- ▶ Referring to, looking through or working on any test or test section when not authorized to do so, or working after time has been called.
- ▶ Leaving the testing room or testing room vicinity without permission during the test session or during breaks.
- ▶ Taking excessive or extended breaks during the test session. Test administrators are required to strictly monitor breaks and report test takers who take excessive or extended breaks.
- ▶ Failing to follow any of the test administration regulations in this *Bulletin* or on the TOEFL website, whether stated orally by the test administrator or specified in any test materials.
- ▶ Creating a disturbance or engaging in disruptive behavior at the test center.
- ▶ Taking a weapon or firearm into the testing site.
- ▶ Taking food, drink (unless you have applied for and have been approved for an accommodation based on a disability or health-related need) or tobacco into the testing room.
- ▶ Taking any other prohibited items into the testing room.

If you are dismissed from the testing site or your scores are canceled for any of the reasons above, your test fees will not be refunded and you will not be able to retest for free. In addition, ETS may ban you from taking an ETS test in the future.

TEST INTEGRITY IRREGULARITIES

ETS may cancel your scores for irregularities such as, but not limited to, the following:

- ▶ Problems with the administration of a test (improper timing, improper seating, defective materials, defective equipment) and other disruptions of test administrations (natural disasters, weather conditions and other emergencies). These may affect an individual, a group or multiple groups of test takers.
- ▶ Circumstances at the test center reasonably indicate that the test was improperly administered due to fraudulent or other improper or illegal activities. In certain circumstances, determined by ETS, all scores for test takers at a particular test center may be canceled even if there is no evidence of individual wrongdoing.

When test administration irregularities occur, the test session may be delayed or canceled. ETS may decline to score the test or may cancel the test score. If, because of a testing irregularity, your test session is canceled, your test is not scored or your score is canceled, see "Delayed or Rescheduled Tests" on page 11 of this *Bulletin*.

INVALIDATING/CANCELING SCORES

When there is information that ETS considers sufficient to indicate that a test taker has engaged in any activity that affects score validity, ETS may cancel the test taker's scores and may bar the test taker from future ETS tests. In addition, when there is information that ETS considers sufficient that the administration of the test did not comply with test administration regulations, some or all scores at the test center may be held or canceled.

ETS reserves the right to take any action — including, but not limited to, dismissing the test taker from the testing site, canceling a test taker's scores and barring the test taker from future testing — for failure to comply with test administration regulations or the test administrator's directions. If a test taker is dismissed from the testing site or a test taker's scores are canceled, that test taker's scores will not be reported, and the testing fees will not be refunded.

LIABILITY

ETS shall have no liability to any test taker for damages or claims of any kind whatsoever that the test taker may assert against ETS for canceling scores, not reporting scores, banning the test taker from future testing, or disclosure of test taker information, pursuant to ETS's rights as set forth in this document.

CHANGES IN TERMS AND CONDITIONS
